O R D E R :-

Government vide reference 1st read above issued orders on procurement policy for the Kharif Marketing Season 2010-11.

2. In the reference second read above, proposals have been received stating that presently, the price of preferred varieties are not encouraging; against around Rs.1500 per quintal last year, they are presently ruling much below and unless better price for these varieties is ensured to these varieties, the farmers will not have any incentive to cultivate these varieties, thereby resulting in fall of acreage of these varieties in the ensuing seasons and increase in price of super fine varieties during the year 2011. It has been proposed to remove the restrictions imposed on the movement of preferred varieties of paddy / rice – vide G.O. 1st read above – and also to permit utilization of the levy free eligibility of raw rice meant for sale outside the State by road.

3. Government after careful examination of the proposal and taking into consideration the current low price being offered for the superfine varieties and the imperative need to provide remunerative price to the farmers who cultivate these varieties orders that the restrictions on movement of preferred varieties of rice/paddy be removed with immediate effect.

4. Government also order that the levy free eligibility raw rice be permitted to be moved to places outside the State by road so as to enable the millers to clear the levy free stocks by road and further purchase paddy from the farmers at MSP and above.

5. The Commissioner of Civil Supplies is authorized to issue necessary operational guidelines for implementing the above order.
